## Timeline

- We are meeting again today from 8:00 – 12:00. After that we can access where we are at.
- In an ideal world, I would like to get a **draft final out this evening (March 13)** along with suggested corrections (errata) and ask people to get final comments back to me by **COB Friday March 15<sup>th</sup>**.
- I would look at the comments and provide a final copy (unless remaining issues) by noon on Monday March 18<sup>th</sup> along with any needed corrections (errata).
- In terms of revising the report we will need to discuss the timeline for that.

I think that is it for now.
